Labeling and Documentation Requirements

All incoming goods must be clearly and correctly labeled. The required markings are specified on the purchase order issued by Deform. For subcontracted deliveries, goods must be labeled with Deform's purchase order number.

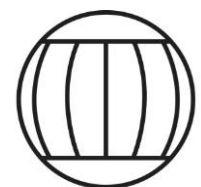

Each delivery must be accompanied by a delivery note including:

- Sender's name
- Product description/specification
- Appropriate labeling/markings

When booking a pickup, customers must ensure that the driver carries shipping documents that clearly state:

- Customer's name
- Deform's order number and customer purchase order number
- Product description

Note: Goods will not be released without complete and correct shipping documentation.
